First of all can I thank Wade Street parishioners for their generosity in supporting Pater Noster through the many Mission Romania trips over the past years. The Mission Trips help us spread the Gospel to the orphanages, prisons and poor communities we work alongside.

Thank you for the gift we got from you this year. Your generosity makes a huge difference in our ministry in these difficult times we live in and helped us to help others more, within the 'lost, unloved and rejected' people within Ploiesti, Romania. We are running an education program for the young people who do not have access to laptops for their schoolwork during Covid regulations and are running an outdoor church service at Hope Centre with a meal at the end.

It is a miracle how God open new doors for our ministry even as we face the pandemic restrictions. Once again Roxana and I thank you for all the prayer, love and support your church extends to the ministries, and as we seek to serve God here in Romania. May God keep you safe and well as you worship Him,

Blessings in Christ,

Marius Dancovici
